## Usage and publication of personal data by the German Statistical Society

Dear Sir or Madam,

this letter serves as a formal agreement for the German Statistical Society (DStatG) to take pictures and videos which will be published exclusively on the website ([www.dstatg.de](http://www.dstatg.de)) and/or will be used for further non-commercial presentations and society intern purposes.

Please notice that your agreement is given, if you register for an event of the DStatG. Moreover, you agree that the DStatG is allowed to take pictures and videos of yourself.

This agreement is temporally, spatially and with regards to the content unbounded and will be preserved in excess of your membership in the DStatG. The grant of rights occurs without payment and includes the right to edit the material as long as no defacement takes place.

There is and will not be a liability claim towards the DStatG concerning the above mentioned website, e.g. for downloading pictures and/or third-party use of pictures.

This agreement can be canceled at any time. This means that pictures will be removed from the website and no further pictures are published.

Two working days are needed for the removal. For group pictures it is not necessarily the case that a single revoke will cause a removal of the picture.

Thank you for your appreciation
